

## “YOU ARE INVITED”

Dear Family and Friends,

We are pleased and excited to announce that Michael Ramy's exceptional Wildlife and Nature Photography has been invited for exhibitions with other outstanding Artists in five Georgia Juried Art Show Competitions from August through November of 2019.

Additionally, of special mention, is his personal invitation to participate in a showcase exhibition entitled “A Man's View Point” where his work will be represented along side six other especially chosen male photographers. The seven photographers will have 10 works each on display at the Cultural Arts Center in Douglasville Georgia for an exhibition open to the public from October 3<sup>rd</sup> through November 21<sup>st</sup>.

Mike will be Presenting: “GATOR'S GALORE”

Many of you are familiar with the beautiful images that Mike's work behind a camera has provided to both private and public sectors over the years. His background in Videography, Environmental Advocacy, and Wildlife / Nature Photography Workshop Tours have resulted in displays of stunning photographic artistry which must be viewed first hand to fully appreciate. The passion and commitment that Mike has for the natural environment are immediately evident in wonderful collections of masterfully framed works that is both captivating and compelling. Mike and I will be greeting everyone at the Opening Receptions of each event.

The following list of specific locations, dates, and times of these six exhibitions promise to reward those in attendance afternoons and evenings of enjoyment in the world of beautiful art. We hope you are able to join us, as we'd love to share these venues with you. Refreshments will be provided at the Opening Receptions.
